Missouri Oil Items. There no longer exists a doubt of the existence in Missouri of the oleaginous treasure. We receive almost daily accounts of new discoveries. Indications have been noticed as high up as St. Joseph. There is reason to believe that oil exists in many other localities, not yet explored. The counties of Saline and Callaway so much celebrated for deposits of cannel coal, will doubtless turn out to be great oil yielding localites-Porf. J. H. McIlvane, geologist, in
